

## **Guided Enduro Tour 2010** **Destination – Istria / Croatia**

EVENT-S

### **WEEKEND PROGRAMME 2010**

...Istria is a largest peninsula in Croatia, located on the very west part of Croatia. It looks like a triangle and is very popular destination for tourist and travellers due to it's close vicinity to Italy, Slovenia and Austria, as well as it's large coastline, full of small and larger bays with hundred of places and villages offering tourist services. Interior of Istria peninsula is also very attractive, with numerous small towns built on top of the hills around Istria. Istria was previously belonged to Italy, so culturally, Istria is very much influenced by Italian culture. Istria offers amazing views wherever you go. White, gray and red, Istria is a land whose diversity is almost unique in the Mediterranean. This heart-shaped piece of land deeply immersed into the blue waters of the Adriatic, is a secluded garden of nature and extraordinary beauty....
